Dear Michael,

Recently, I signed the completed audit for the period ending June 30, 2015. However, I wish to make it clear that I am not responsible for any discrepancies that may have arisen during the previous administration either through acts of commission or omission.

This disclaimer should be understood to include any matters that existed during the previous administration, but were carried forward to this administration, to include Kerry Baker, Town Clerk, Toni Celaya, part time Clerk and Officer Michael Brown, and previous Interim Clerk, Elizabeth Burns, within the span of my tenure, by the resignation of the previous Mayor and Vice Mayor.

Sincerely,

Diane B. Ashley  
Vice Mayor/Acting Mayor
